## Software Developer

+91 9064509481 @ Biswag690@gmail.com

Rammurthy Nagar, Bangaluru- 560016

## SUMMARY

I am a dedicated and analytical Software Developer with a B.Tech in Computer Science. My experience spans software development and operations management, where I excel in enhancing my project and streamlining processes. My commitment to producing impeccable code within tight deadlines, alongside my skills in web development and API integration, positions me as a valuable asset in any tech-driven environment.

## EXPERIENCE

Intern 03/2023 - 08/2023  
EXPLOSYS DATA LABS Remote

A data service provider specializing in web application development and integration.

- Developed and maintained end-to-end web applications using modern technologies and frameworks.
- Designed and implemented RESTful APIs and microservices to support scalable and efficient backend systems.
- Built responsive and dynamic front-end interfaces using HTML, CSS, JavaScript, and popular libraries such as React.js or Angular.
- Utilized version control systems like Git for source code management and collaboration.
- Implemented database solutions using both SQL (e.g., PostgreSQL, MySQL) and NoSQL (e.g., MongoDB) databases.
- Deployed applications to cloud platforms such as AWS, Azure, or Google Cloud, ensuring high availability and scalability.

Operation Manager 03/2024 - Present  
IFIX INDIA Bangaluru

Company focused on enhancing operational efficiency and customer satisfaction.

- Developed and implemented strategies to maximize customer satisfaction.
- Facilitated smooth collaboration between departments through clear communication channels.
- Increased profit by streamlining operations.
- Introduced new methods, practices, and systems to reduce turnaround time.

## EDUCATION

Diploma 08/2018 - 06/2021  
Siliguri Govt. Polytechnic Siliguri, WB

GPA | 8.8 / 10

B.Tech 08/2021 - 06/2024  
Bankura Unnayani Institute of Engineering Bankura, WB

GPA | 8.4 / 10

## STRENGTHS

Object-Oriented Programming  
Skilled in Object-Oriented Programming methodologies.

MERN STACK  
proficiency in MERN tech

API Integration  
Expertise in API Integration for seamless functionalities.

SQL integration  
Proficient in SQL integration for database management.

Git proficiency  
Familiar with version control using Git for collaborative development.

.NET development  
.NET development for building scalable applications.

Web application development  
Strong in web application development.

Back-end frameworks  
Experience with back-end frameworks for server-side logic.

Product Management  
Guiding product management for software lifecycle.
